

# 2025-26 Tuition Rates - Lemberg Children's Center

The school year tuition rates for each program type is charged to all unless we have evidence of household income below \$200,000 from July 1, 2025- June 30, 2026. We use this sliding scale to determine your tuition and scholarship if your anticipated gross annualized household income for the period starting July 1, is less than \$200,000 per year (wealth included). This income based scholarship is dependent on funding available and at the sole discretion of the Executive Director.

All rates effective - June 23, 2025

**Part-week childcare** works by matching up your desired childcare schedule with that of another family, so that together both children's schedules make up a full week of childcare. Rates for part-time care are as follows:

Number of days attending	Cost per month
1	25%
2	50%
3	72%
4	90%

**Second Child:** 10% discount but not lower than monthly rate at <\$49,999

**Third Child:** 20% discount but no lower than monthly rate at <\$49,999

Note: applied to the oldest child rate or lowest rate if part week
